Overview

Host Configuration Status

- Hosts that had performed modifications without error
- Hosts in error state
- Good host reports in the last 35 minutes
- Hosts that had pending changes
- Out of sync hosts
- Hosts with no reports
- Hosts with alerts disabled

Total Hosts: 1

- Host groups
- Discovery rules
- Global parameters
- PUPPET
 - Environments
 - Classes
 - Config groups
 - Smart variables
 - Smart class parameters
- ANSIBLE
 - Roles

Generated at 20 Jan 08:43
